

 [Paradox, yin yang and the moral compass by Louise Sundararajan](#) by Louise

S. [2015, Jan 11]

Dear All,

Tolerance for Paradox has been attributed to creativity and the Chinese principle of yin and yang. How about the paradox in the following scenario?

Any comments?

Louise

Along Shanghai's River, Buddhist Tradition Meets Greedy Fishermen
by Frank Langfitt

NPR - January 2, 2015

China today is a whirlwind of competing trends: authoritarianism versus personal freedom; pollution versus environmentalism, and self-interest versus spirituality....

 [Comment by Peter Ping Li](#) by Louise S. [2015, Jan 11]

Dear Louise:

See the attached for a new ASQ paper, which is the closest to the frame of yin-yang balancing. It offers a suggestion for handling this paradox.
