

Dear Colleague

It is my great pleasure on behalf of the Organizing Committee of the 9th International Congress for Psychotherapy / Asian Chapter to invite you to the historical great City of Tehran, Iran where the Congress will take place from 18 to 20th of May 2016.

The main theme of 9th International Congress for Psychotherapy is to look at the different applications of Psychotherapy on the bed of the cultural norms and values.

From this perspective, worldwide knowledgeable Psychologists and highly distinguished international speakers with different scientific and cultural backgrounds will have the opportunity to share the latest research based applications.

As your hosts, we would do our best in making your participation fruitful and memorable. It may worth to mention that the Congress Organizing Committee have planned to provide proper accommodations for all our guests coming from abroad along with the opportunity for our Congress participants and accompanying members to visit some historical parts of the country like Isfahan, Shiraz, Yazd and Kerman. . .

I am sure all our respected Congress participants will carry pleasant memories from Iranians hospitality.

I very much look forward to see you in Tehran in mid May, 2016.

With the best wishes

Ali Afrooz, PhD.
Congress Chair
Distinguished Professor of Psychology
University of Tehran
