Greetings!

Learn and apply new skills and tools for participatory action research (PAR) and evaluation in a variety of health settings, in Canada and abroad. Rachel Thibeault (University of Ottawa) and Daniel Buckles (Carleton University) will be your instructors.

This three-day workshop at the University of Toronto will engage you in hands-on learning and practice using flexible and rigorous PAR tools developed and tested by an international community of practice in settings around the world.

Click on the link below for more information or to register.
