If you are interested in phenomenological research of religious experience and related matters in psychology, philosophy and theology, please join SOPHERE at [www.sophere.org](http://www.sophere.org).

Among our activities is an ongoing webinar in Phenomenology of Religious Experience (see the 2017 syllabus, attached). In Spring 2017, we will be reading

    Guest lectures will be by Sam Mickey (University of San Francisco), Jingjing Li (McGill University), Peter Costello (Providence College), and Joonas Taipale (University of Jyväskylä). Syllabus is also available on <http://sophere.org/activities/seminars/>
