Subject: [DIV32ANNOUNCE] An Experiential Democracy Dialogue on Two Views of Zionism

Dear all,

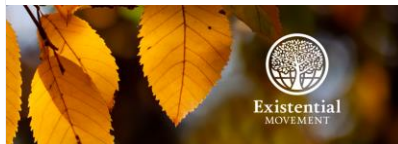

Following is a recent webinar sponsored by the Existential Movement and Online Events on that features a demonstration of the Experiential Democracy Dialogue on the charged and complex issue of Zionism. Visit link here: <https://www.youtube.com/watch?v=7z37UkdA4Mg&t=2124s> This demonstration, limited as it was in terms of time and some overlap of backgrounds among the dialogue partners, was nevertheless a valuable example in my view of how such difficult conversations can proceed with partners who are willing and able to engage in them. I hope you find the paradigm provided here of some benefit for your own work in community and clinical/counseling practices. The dialogue demo begins about 33 mins. into the recording, but viewing at least part of the introduction for context may also be helpful.
